HOW TO ACCESS YOUR COURSE

[Blackboard](#) is the course-management system that Triton College uses for online, hybrid, and enhanced teaching and learning. [Blackboard](#) enables instructors to provide students access to course materials, communication tools, online assessments, and grades, as well as the ability to submit assignments electronically. [Blackboard](#) can be accessed anywhere, anytime you have an Internet connection.

Once you login, your classes will show up in the Course List module located in the center of the screen. Simply click the appropriate link to enter a course.
