

URBAN ECOLOGY GUEST LECTURE

Join us for a sustainability guest lecture presented by the Forest Preserve District of Cook County.

In this engaging presentation, participants will learn about wildlife living in urban environments and explore the concept of urban wildlife ecology. The talk will highlight the many ways wildlife species have adapted to densely populated urban and suburban areas.

Wednesday, March 25, 2026 - Noon-1 p.m.

Triton College Library, Upper Commons

This event is free and open to everyone. No registration is required.
